States market. Similarly with possed to iron and steel industries beginning to flourish in Tennessee, Virginia, Alabama and other Southern States. Having side by side the best of iron ore and the best of coal, it has best of iron ore and the best of coal, it has

examination of Mr. Blaine was perfunctory to the last degree. Under the circumstances experienced men say freely that Mr. Belmont had a very difficult and unpleasant duty forced upon him, and performed it with an amount of skill, discretion and nerve which does him very much credit.

THERE can be no doubt, indeed it is generally agreed that Mr. Long, paster of the Strangers church, is at a disadvantage in his ter with the "Prosbytery " and that If he is to continue his usefulness he should withdraw from the church with which, judg ug by his preaching, he has but few sympagregationalist. He has the sympathy and e confidence of the great unchurched publie who are looking for a sign, because it has long been evident that he was straying farther and farther from the fold wherein he found his call. The "Presbytery of Memphis" has no sympathy with his work. That Interest paid by the United States ... 53,405,477 Interest coasid by companies by transbody, thoroughly orthodox, considers him in schism, and therefore helerodox. If it cannot, as it declares it will, discipline him it states.

Balance of interest paid by the United States. will expel bim. For this extreme of scandal much from him, by resigning and taking his place apart, and then continue a work which the community has applieded. The pres-bytery must uphold itself against all assaults from within as from without. Its majority must rule if its dignity is to be maintained and its unity preserved. Mr. Long on the other hard has taken a position from which formed a part of the Old Virginia military district, and asked that patents issue thereon. These lands have been occubilished of his recent engagement.

Sugration formishes for publication the official report of Colonel George A. Forsyths on his recent operations against the Apaches, confirming, in the main, the facts heretofore published of his recent engagement.

Mesopro Emmanos. death to hin. To go forward is essential to his future life and usefulness as a public teacher. Such a man cannot grow when bound hand and fact by dogma or decree. He must on free ou series the blows that will tell best in the direction where his sympatial seal has soul prompt.

Hesouro Ramanos.

MADRID, May 1.—Mesouro Ramanos, a well-known writer, is dead.

The only bitters and the only prepartion of level that after complete satisfaction is Brown's that the patents should issue under the act of May 27, blacken the teeth. It gives real strength.

1880. A former commissioner decided that on warrants and surveys filed after March 3, 1857, patents could not lawfully issue, and recommended to Congress none should be authorized. The principal question now arises under the act of May 27, 1880. If the arises under the act of May 27, 1880. If the commissioner decides that pa'ents can lawfully issue in this case the title of the present occupants of 130,000 acres of valuable land will be in danger. The property referred to consists of about 1300 farms, a considerable portion of which, although occupied for half a century, is held only underentries. General Robinson has introduced a bill in Congress in this connection, which is bill in Congress in this connection, which is designed to secure the title of the possessors who have been in possession twenty-one

AGAIN A WINNER

Hanlon Has Another Walk-Over, Real ing Trickett as He Pleased, with Scarcely an Effort.

Lexington-Billiards at St. Louis-The Diamond-Field.

LONDON, May 1.—In the race between Hanlon and Trickett, for £1000, Hanlon won Patney to Mortlake. Handon had the Mid-diesex side. The start was a good one; Han-lon had slightly the best of Trickett, and led immediately alterward. The steamers fol-lowing the rowers were laden with people and the banks of the river were crowded. immediately alterward. The steamers fol-lowing the rowers were laden with people and the banks of the river were crowded. and the banks of the river were crowded. Many ladies were among the spectatore. Hanion was rowing easily at Hammersmith bridge. There was never any doubt of the result. Hanion promptly rowed Trickett down. At Craven Cottage, six furlongs from the starting point, Hanion was one-quarter of a length clear of Tricket, and at the creek, about two miles and a half further on, took the Australian's water. Off Barnes' Terrace, but a short distance from the creek, he was leading Trickett by fifteen seconds. Hanion's time was 27:58 and Trickett's 29:33. Hanion played with Trickett as with former contestants.

Hindoo Gone Lame.

MEMORIAL DAY.

Decoration of the Confederate Graves by the People of Memphis at Elmwood.

A Carefully Digested and Fitting Tribute to the Memory of the Dead by Judge Craft.

One of the beautiful customs prevailing since the war has been the decoration of the soldiers' graves, and while there may be no practical need for the observance, it calls forth many a tender memory of those who fell for their convictions. The decoration of the Confederate graves took place Sunday afternoon at 4 o'clock at Elmwood Cemetery

\*Peace!"

Peace!"

Peace!"
